2. Regional Directors/Regional Directors(I/c) of all ROs
3. SMOs of all states

Subject: Login authentication by OTP for ESIS Employees in HIS

Respected Madam/Sir,

The functionality of Employee login with OTP authentication, is under development. Once the functionality is implemented, ESIS Employees would not be able to login to HIS Application.

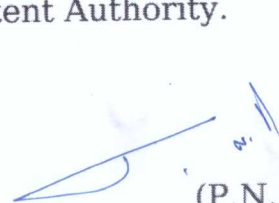

In view of this, Regional Directors/State Medical Officers are requested to get the mobile numbers of ESIS employees updated in HIS through Nodal Officer of ESIS, under their respective regions/hospitals within 10 days.

The navigation present in HIS for capturing/updating the Mobile No. of ESIS Employees through Nodal Officer is below:

Master Management Module -- Employee -- Contact Details -- Present Address -- Mobile No.

A compliance report with the approval of Regional Directors may be submitted to respective Zonal Medical Commissioners.

This issues as per the approval of Competent Authority.

18/3/2025

(P.N. Boipi)
Joint Director (ICT)
ESIC Headquarters
